Re: Request for Change in Safety Rating under 49 C.F.R. § 385.17

Dear JOHNSON TRUCKING LLC:

A Focused Compliance Review conducted at JOHNSON TRUCKING LLC on March 17, 2015 resulted in a proposed Safety Fitness Rating of “**Conditional**”. On August 02, 2016, JOHNSON TRUCKING LLC submitted a request to upgrade its safety rating based on corrective action that it has taken to come into compliance with the Federal Motor Carrier Safety Regulations.

After reviewing your request, the Safety Management Plan, and the evidence submitted, the Federal Motor Carrier Safety Administration (FMCSA) has determined that JOHNSON TRUCKING LLC has adequately addressed the violations resulting in the “CONDITIONAL” safety rating.

Because the Focused Compliance Review Investigation did not examine all safety standards and factors specified in 49 CFR 385.5 and 385.7, we are unable to assign a “Satisfactory” safety rating to JOHNSON TRUCKING LLC.

Effective immediately, JOHNSON TRUCKING LLC’s Safety Fitness Rating of “CONDITIONAL” is hereby VACATED and your status is returned to “UNRATED”.

Please continue your efforts to remain in compliance with the FMCSRs. Should you have any questions, please feel free to contact FMCSA’s Ohio Division Office. A representative of Linda Gilliam may be contacted by telephone at 614-306-9030.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dan L. Fournier".
