to whom it may concern;

FOIA request received in the Wisconsin Division office via fax, forwarded to you for appropriate action.

See attached FOIA request from **b3, b7D** regarding complaint he filed on Marten Transport, USDOT 74432, Mondovi WI, in April 2008.

b3, b7D filed a complaint regarding HOS in April 2008. A compliance review on Marten Transport had recently been completed (February 2008) based off a similar complaint. Based on eFOTM guidance a letter was sent to Mr. Amin; no additional CR or investigation was conducted since the last CR was so recent.
