NOTE:
 All motor carriers must comply with all pertinent Federal, State, local and tribal statutory and regulatory requirements when operating within the United States. Such requirements include, but are not limited to, all applicable statutory and regulatory requirements administered by the U.S. Department of Labor, or by a State agency operating a plan pursuant to Section 18 of the Occupational Safety and Health Act of 1970 ("OSHA State plan agency"). Such requirements also include all applicable statutory and regulatory environmental standards and requirements administered by the U.S. Environmental Protection Agency or a State, local or tribal environmental protection agency. Compliance with these statutory and regulatory requirements may require motor carriers and/or individual operators to produce documents for review and inspection for the purpose of determining compliance with such statutes and regulations.
