Effective May 14, 2004, you are being placed on an unpaid Safety Suspension due to the disqualifying event of a lazy left eye with 20/50 vision. During this suspension it is your responsibility to get the vision in this eye to a minimum of 20/40, see a licensed optometrist and fax the information to the Safety Department at 800-395-2026. It will also be your responsibility to call either Dan Peterson or myself with updates during this suspension.

The suspension will be in effect for up to 30 days, giving you the opportunity to correct the disqualification. It will be your responsibility to furnish either Dan Peterson or myself with appropriate documentation showing your qualification within the suspension period.

Failure to be able to correct this on or before June 12, 2004 will result in a voluntary resignation of employment.

If you have any questions please feel free to contact me at #800-295-8735.

Sincerely,

*Dear Sir,*

*This is a follow-up letter per our telephone conversation of 05-03-04. This is a formal complaint regarding a Commercial Driver that is not medically qualified to drive. Please keep our names out of your investigation as we are related to this driver (i.e.: father & stepmother).*

*His name is <sup>b6</sup> [REDACTED] and he is a driver for Marten Transport. He is legally blind in his right eye. Has been since he was a child. He can pass the eye tests as long as they don't use the machine. He memorizes the eye charts. Marten is aware of this problem. We could never live with ourselves if he hurt or killed someone because he didn't see them. His father is an owner-operator and knows the dangers of what his son is doing, not to mention the fact that it is illegal.*

*He has a Texas Drivers License <sup>b6</sup> [REDACTED] His Social Security <sup>b6</sup> [REDACTED]*

*Thank you for your discretion*
