Dear GORAN PETKOVICH:

The proposed motor carrier safety rating for your company is:

CONDITIONAL

This proposed CONDITIONAL rating is the result of an onsite compliance review and evaluation of your safety fitness completed on March 24, 2005. A CONDITIONAL rating indicates that your company does not have adequate safety management controls in place to ensure compliance with the safety fitness standard that could result in occurrences of violations listed in 49 C.F.R. 385.5(a-k).

This proposed CONDITIONAL rating becomes a final rating and goes into effect on June 4, 2005.

Immediate action must be taken to correct any deficiencies or violations discovered during the compliance review. Your operation was found to be deficient with respect to the applicable safety regulations in the following areas:

Part	382	CONTROLLED SUBSTANCE AND ALCOHOL USE AND TESTING
Part	383	COMMERCIAL DRIVERS LICENSE
Part	391	QUALIFICATIONS OF DRIVERS
Part	395	HOURS OF SERVICE OF DRIVERS
Part	396	INSPECTION, REPAIR AND MAINTENANCE

Please refer to the copy of the compliance review left at your office for more specific guidance regarding areas in need of corrective action.

You may obtain further information from the local Federal Motor Carrier Safety Information office listed below:

You may request the Federal Motor Carrier Safety Administration to perform an administrative review of a proposed or final safety rating or you may request a change to a proposed or final safety rating based upon corrective action. The procedures and the time limits are described in 49 C.F.R. 385.15 and 385.17, respectively.
